

# Roanoke County CIP Review Committee

## Evaluation Scoring Factors

Committee members scored each capital project using a point range of 1-10 for each of the following factors:

***Improve Public Safety or Public Health:***

Does the project address public safety, life protection, health, and welfare issues that benefit our citizens?  
Does the project mitigate an existing or potential liability issue?

***Improve Public Quality of Life:***

Does the project directly address a major demand or meet a community obligation for cultural, social, educational or leisure services?

***Legal Requirements:***

Is the project required by law, regulation or mandate from local, state, or federal government?

***Economic Development Impact:***

Does the project directly or indirectly increase net community wealth/resources?

***Increases Tax or Fee Revenue:***

Does the project directly increase County's recurring revenues?

***Enhances Existing Services:***

Does the project maintain or enhance existing service levels that are at risk without the project?

***Benefit/Cost Factor:***

Does project implementation produce a community benefit that exceeds investment of resources or will the project generate resources/investments from outside sources (grants, donations, etc.)?

***Address Obsolescence:***

Does the project address requirements for asset replacement, due to age and wear, that supports essential services or addresses the need for a new or changing service demand?

***Investment to Reduce Future Costs:***

Will investment in the project reduce/contain increased expenditures at a future date?

***Extent of Service Area:***

Does the project benefit a large population (i.e. a project that benefits a larger population/area will have greater value than a project that benefits a smaller population/area)?

***Project Supports Existing County Plans or Policies:***

Is the project directly referenced in existing county plans or policies as a priority?

***Urgency of Need:***

Does the project meet an urgent need?
